Brian Belt is an AV-rated attorney, practicing real estate, hospitality and corporate law.

Before opening Acevedo Belt, P.A. in 2017, Brian served as a partner in large international and state-wide law firms. Throughout his career, Brian has represented international, national and local corporate clients and owners, lenders and developers of real estate in matters related to a variety of asset classes, including hotels, mixed-use projects, office, multi-family, office/industrial parks, condominiums, retail, and marina projects throughout the country and internationally. His experience includes acquisitions and sales, due diligence, restructuring, land use, leasing, construction and financing. He served as the co-chair of the Hospitality Practice Groups of a large national firm and a large Florida-based firm. He has extensive experience in acquiring, structuring, developing, financing and restructuring complex mixed-use projects and mixed-use hospitality projects. Brian also has worked on a variety of corporate matters, including mergers and acquisitions, joint venture structuring, contract review, bond financings, and corporate finance. He has advised real estate and corporate clients throughout the U.S., Latin America, Europe and the Caribbean. He frequently represents wealthy individuals and families in a variety of matters. A representative list of matters and clients for which he has provided legal counsel is set forth below.
