As CEO of Acevedo Belt, P.A., Elvira Belt brings over 15 years of business & marketing leadership and strategic innovation to the legal industry, leveraging her expertise in complex partnership & client management, branding and marketing strategy, and operational excellence. Her background includes directing high-impact business and marketing strategies for Fortune 500 companies such as Delta Air Lines and Hilton, where she spearheaded product launches and customer acquisition & engagement initiatives that contributed significantly to the companies' EBITDA. She has also founded a consultancy where she transformed digital presence and engagement for professional services firms.

With a track record of driving measurable growth through data-driven insights and cross-functional collaboration, Elvira is well-experienced in positioning organizations for sustained success. She blends analytical rigor with creative execution and is committed to elevating the client experience in the legal sector through personalized service and cutting-edge technology.
